The "Bad Kitty" books get two thumbs waaayyyy up. Hilarious. Nick Bruel's imagination takes flight in a stand-up-comedian fashion as we follow our amusingly drawn main character through what can only be described as his "cat problems". Any time an author can combine wonderful art, fun text, and a little bit of learning on the side they deserve a standing ovation. These books are the perfect transition for young readers going from picture books to chapter books.
